We have included a step-by-step guide for the video parent meeting, should you require it. This guide includes some troubleshooting tips.

Making Appointments

In S2 your child has 17 different subjects over the course of the week. Whilst I fully appreciate that you would want to meet with all your child's teachers that may not be possible. In departments where there is only one or two teachers, they teach more pupils than they have appointment slots available. For instance, we only have two Drama teachers who teach all six S2 classes covering 179 pupils, and each teacher can only fit in 30 appointments.

Your child will be issued with their S2 report. Can I ask that you use this to guide you in deciding which subjects/teachers you would like the opportunity to meet with on the evening.

We ask that you only make an appointment with your child's Head of House or House Leader if you have a particular issue you wish to discuss.

If you definitely wish the opportunity to meet with a teacher but their appointment schedule is full by the time you try to book a slot, then please contact the school office who will take a note of this. We will then arrange for the member of staff to give you a call to discuss your child's progress.

If you are unable to book at home, please contact the school office for help.

Yours sincerely

Tracey Loudon
