

23rd April 2021

Dear Parent/Carer

S5 Blazers

School blazers are part of the school uniform and your son/daughter will be expected to wear a blazer when the school resumes in August. School blazers are available to purchase from the school at a cost of £35.00.

Please see link to Blazer order form: <https://forms.office.com/r/A0cMCG0INw>

Please complete online order form by Friday 30th April 2021.

We require your child's chest size in inches. Measure around the fullest part of the chest and add two fingers in to allow for growth. Your child will be permitted to try the blazer for size when collecting it. If it is the wrong size it may be exchanged for a different size, providing it has not been worn and the tags are still on it.

Payment can be made through ipayimpact: <https://parentsportal.scot/home/> or cash at the school office. Blazers will not be issued to pupils unless payment has been received.

You will be informed in due course when the blazers are available for collection.

Yours sincerely

School office
