Event	Description	Details
<p> <b>Excel for Everyone: Family Edition!</b> </p>	<p>Bring the whole family and unlock the power of Excel together! Whether you're a complete beginner or just looking to sharpen your skills, this hands-on workshop has you covered.</p> <p> <b>What You'll Learn:</b></p> <p><b>The Basics:</b> Get comfortable with Excel and learn how to navigate like a pro.</p> <p><b>Formatting Magic:</b> Make your spreadsheets pop with easy-to-learn tricks.</p> <p><b>Essential Functions:</b> Master SUM, AVERAGE, and calculations for everyday tasks.</p> <p><b>Budgeting Made Easy:</b> Learn to track expenses and plan like a pro.</p> <p><b>Visualise with Charts:</b> Turn numbers into eye-catching visuals that tell a story.</p> <p><b>Q&amp;A Finale:</b> Have burning Excel questions? We've got the answers!</p> <p> Perfect for parents, teens, and curious learners. Walk away with practical skills you can use at school, work, or even for family projects.</p> <p>Join us for a fun, interactive event that makes Excel exciting and accessible for everyone.</p>	<p>Date: Wednesday 18th December 2024</p> <p>Time: 5-6pm</p> <p>Where: Business Department (rooms 207, 208 and 209)</p>
<p><b>Cooking With Your Child</b></p>	<p>A fantastic opportunity to learn and cook with your child. These 2 practical lessons will include the making of a savoury and a sweet dish. Develop good hygiene and safe working practices in the kitchen. It will also give you an opportunity to speak with HE teachers and ask any questions you have about food and health. All completed dishes can be taken home to enjoy.</p>	<p>Dates: Monday 24th February and 10th March 2025</p> <p>Time: 3:45-5pm</p> <p>Where: Home Economics department</p>

<b>Event</b>	<b>Description</b>	<b>Details</b>
<b>Physical Activity with your Child</b>	Come along and take part in sport activities with your child. These sessions will give you the chance to take part in four different activities, developing health and wellbeing, practical skills and relationships. Whether competitive or recreational, this is for everyone and all abilities! Sessions include badminton, basketball, table tennis and fitness and will be facilitated by our PE teachers.	<p>Dates: Monday 3rd, 10th, 17th and 24th March 2025</p> <p>Time: 4pm-5pm</p> <p>Where: PE Department</p>
<b>N5 Success: Maths &amp; Maths Apps Workshop</b>	Join us for a hands-on workshop designed to help N5 maths students excel! With the support of our expert Maths Ambassadors, this session will provide all the resources you need to boost yours and your child's confidence and prepare for exams. Choose between N5 Maths and N5 Maths Apps and work in a supportive environment.	<p>Date: Wednesday 5th March 2025</p> <p>Time: 6pm-7:30pm</p> <p>Where: Maths Department</p>
<b>Making Music Together</b>	Unleash your family's musical talents in this fun and interactive workshop! Whether you're a beginner or just looking to try something new, this session will introduce you to the basics of playing keyboard, xylophone, or guitar. You will work together to learn simple tunes, explore rhythms, and discover the joy of making music as a team. No experience necessary—just bring your enthusiasm and a love for music!	<p>Date: Wednesday 26th March 2025</p> <p>Time: 5pm-6pm</p> <p>Where: Music Department</p>

<b>Event</b>	<b>Description</b>	<b>Details</b>
<p><b>Future Proof Builders: A Family STEM Workshop</b></p>	<p>A fantastic opportunity to work on a STEM project with your young person with the end goal of designing a building that can withstand the effects of climate change and reduce our impact on the planet. There will be 4 sessions in school where you will carry out experiments designed to help you create your building (testing properties of materials and infrastructure, and exploring energy sources). You will also start to design your building together based on what you have learned from the experiments. Between the sessions you will then have access to recycled materials and will work at home to complete your building model. The 4th session will be an opportunity for everyone to share their finished project.</p>	<p>Dates: Tuesday 11th, 18th, 25th March and 22nd April</p> <p>Time: 5-6pm</p> <p>Where: Science Department</p>
<p><b>Art Landscape Workshop</b></p>	<p>You've heard of paint and sip, well we're offering paint and munch!</p> <p>Come along a relaxing Art Class with your young person where you will spend the session learning to paint in a no stress atmosphere with plenty of snacks and refreshments to keep you energised.</p> <p>You will have the option to pick from 4 landscapes, and start with a blank canvas or with your canvas already drawn out for you!</p> <p>You will be guided through the process step by step and at the end of the session leave with your very own masterpiece.</p>	<p>Date: Thursday 8th May 2025</p> <p>Time: 5pm</p> <p>Where: Art Department</p>
